Dear Roger,

RE: Gas Day Harmonisation Plan

In accordance with National Gas Rules Schedule 5 Part 6 Rule 4(1), AGI Tanami Pty Limited (AGIT) propose the following:

1. Flow computer code for Tanami Inlet station is being modified to seamless change gas day start time on the 1 October 2019 from 8:00am ACST to 5:30am ACST;
2. Code will be thoroughly tested during a factory acceptance test; and
3. Before the 1 October new code will be downloaded to Tanami Inlet station flow computer.

Should you have any queries about the information provided in this letter please contact myself (0418 863 442, david.gant@agig.com.au).

Yours sincerely,

David Gant
Head of Commercial Operations (Pipelines)
